

REMARKS/ARGUMENTS

Reconsideration of the application, as amended, is respectfully requested.

Applicant is canceling the rejected claims without prejudice to present them in a continuation or continuation-in-part application. All of the claims that are still in the application are either allowed or have been indicated to be allowable if the independent claims from which the dependent claims depend are incorporated in the dependent claims.

Claim 19 is being amended only to correct a typographical error.

It is believed that Applicant has now complied with the various requirements of the Examiner and has cancelled all rejected claims. It is therefore believed that the present application is now in condition for allowance and a timely Notice of Allowance is therefore respectfully requested.

Respectfully submitted,

By
